### Medicare Part D prescription drug coverage†

The amount you pay for drugs will be different depending on:

- The tier your drug is in. There are 6 drug tiers. To find out which of the 6 tiers your drug is in, see our Part D formulary at [kp.org/wa/medicare/formulary](https://kp.org/wa/medicare/formulary) or call Member Services to ask for a copy at **1-888-901-4600** (TTY 711), 7 days a week, 8 a.m. to 8 p.m.
- The day supply quantity you get (like a 30-day or 90-day supply). Note: A supply greater than a 30-day supply isn’t available for all drugs.
- When you get a 31- to 90-day supply, whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you’re in (deductible, initial, coverage gap, or catastrophic coverage stages).

#### Deductible stage

For drugs in Tiers 1, 2, and 6, there’s no drug deductible and you start the year in the initial coverage stage. For drugs in Tiers 3, 4, and 5, there is a deductible stage. For drugs in Tiers 3, 4, and 5, you must pay the full cost of the drugs until you have spent **$100** for them in 2020. After you have met the deductible, you move on to the initial coverage stage for Tier 3, 4, and 5 drugs.
Initial coverage stage
You pay the copays and coinsurance shown in the chart below until your total yearly drug costs reach $4,020. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the $4,020 limit in 2020, you move on to the coverage gap stage and your coverage changes.

</tr>
</tbody>
</table>

**After you have met the deductible

When you get a 31- to 90-day supply of drugs in Tier 1 from our mail-order pharmacy, you pay $0.

For all other prescriptions, the copays listed above in the chart will be multiplied as follows:

- If you get a 31- to 60-day supply from one of our retail pharmacies, you pay 2 copays.
- If you get a 61- to 90-day supply from one of our retail pharmacies, you pay 3 copays.
- If you get a 31- to 90-day supply of drugs in Tiers 2, 3, or 4 from our mail-order pharmacy, you pay 2 copays.

Note: For a 31- to 90-day supply of Tier 5 drugs, you pay the coinsurance listed above in the chart.

Coverage gap stage
The coverage gap stage begins if you or a Part D plan spends $4,020 on your drugs during 2020. You pay the following copays and coinsurance during the coverage gap stage:

<table>
<thead>
<tr>
<th>Drug tier</th>
<th>You pay</th>

<tbody>
<tr>

<td>The same copays listed above that you pay during the initial coverage stage</td>
</tr>
<tr>
<td>Tiers 3, 4, and 5</td>
<td>25% coinsurance</td>
</tr>
</tbody>
</table>

Catastrophic coverage stage
If you spend $6,350 on your Part D prescription drugs in 2020, you’ll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of 2020. You pay the following per prescription during the catastrophic coverage stage:

<table>
<thead>
<tr>

<td>5% coinsurance or $3.60, whichever is greater</td>

</tr>
</tbody>
</table>
Long-term care, plan home-infusion, and non-plan pharmacies

- If you live in a long-term care facility and get your drugs from their pharmacy, you pay the same as at a retail plan pharmacy and you can get up to a 31-day supply.
- Covered Part D home infusion drugs from a plan home-infusion pharmacy are provided at no charge.
- If you get covered Part D drugs from a non-plan pharmacy, you pay the same as at a retail plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can’t use a network pharmacy, like during a disaster. See the Evidence of Coverage for details.

Optional supplemental dental benefits

In addition to the benefits that come with your plan, you can choose to buy an optional supplemental dental benefit for an additional monthly cost that’s added to your monthly plan premium. See the Evidence of Coverage for details.

**Who can enroll**

You can sign up for this plan if:

- You have both Medicare Part A and Part B. (To get and keep Medicare, most people must pay Medicare premiums directly to Medicare. These are separate from the premiums you pay our plan.)
- You’re a citizen or lawfully present in the United States.
- You don’t have end-stage renal disease (ESRD) unless you got ESRD when you were already a member of one of our plans or you were a member of a different plan that ended.
- You live in the service area for this plan, which includes all of King, Pierce, and Thurston counties.

**Coverage rules**

We cover the services and items listed in this document and the Evidence of Coverage, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare’s standards.
- You get all covered services and items from plan providers listed in our Provider Directory and Pharmacy Directory. But there are exceptions to this rule. We also cover:
  - Care from plan providers in another Kaiser Permanente Region
  - Emergency care
  - Out-of-area dialysis care
  - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
  - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers.
For details about coverage rules, including services that aren’t covered (exclusions), see the Evidence of Coverage.

Getting care
At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. To find our provider locations, see our Provider Directory and Pharmacy Directory at wa-medicare.kp.org/providers or ask us to mail you a copy by calling Member Services at 1-888-901-4600 (TTY 711), 7 days a week, 8 a.m. to 8 p.m.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor
Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services.

Help managing conditions
If you have more than one ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you’re interested, please ask your personal doctor for more information.

Notices

Appeals and grievances
You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we’ll speed up our decision.

If you have a complaint that’s not about coverage, you can file a grievance with us. See the Evidence of Coverage (kp.org/wa/eocs) for details.

Kaiser Foundation Health Plan
Kaiser Foundation Health Plan of Washington is a nonprofit corporation and a Medicare Advantage plan. We offer several Kaiser Permanente Medicare Advantage plans in our larger Washington Region’s service area, which you can read about in the Evidence of Coverage.

But you can get care from plan providers anywhere in our Washington Region’s service area, which includes parts of Grays Harbor and Mason counties and all of King, Kitsap, Lewis, Island, Pierce, Skagit, Snohomish, Spokane, Thurston, and Whatcom counties.
If you move from your plan’s service area to another service area in our Washington Region, you’ll have to enroll in a Kaiser Permanente Medicare Advantage plan in your new service area.

Helpful definitions (glossary)

Allowance
A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the difference.

Benefit period
The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven’t gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn’t tied to a calendar year. There’s no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year
The year that starts on January 1 and ends on December 31.

Coinsurance
A percentage you pay of our plan’s total charges for certain services or prescription drugs. For example, a 20% coinsurance for a $200 item means you pay $40.

Copay
The set amount you pay for covered services — for example, a $20 copay for an office visit.

Deductible
If you sign up for optional supplemental dental benefits, it’s the amount you must pay for comprehensive dental services before our plan begins to pay. Also, it’s the amount you must pay for certain Medicare Part D drugs before you will enter the initial coverage stage.

Evidence of Coverage
A document that explains in detail your plan benefits and how your plan works.

Maximum out-of-pocket responsibility
The most you’ll pay in copays or coinsurance each calendar year for services that are subject to the maximum. If you reach the maximum, you won’t have to pay any more copays or coinsurance for services subject to the maximum for the rest of the year.

Medically necessary
Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Non-plan provider
A provider or facility that doesn’t have an agreement with Kaiser Permanente to deliver care to our members.

Plan
Kaiser Permanente Medicare Advantage.

Plan premium
The amount you pay for your Kaiser Permanente Medicare Advantage health care and prescription drug coverage.

Plan provider
A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.
Prior authorization
Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.

Region
A Kaiser Foundation Health Plan organization. We have Kaiser Permanente Regions located in Northern California, Southern California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

Retail plan pharmacy
A plan pharmacy where you can get prescriptions. These pharmacies are usually located at plan medical offices.

Service area
The geographic area where we offer Kaiser Permanente Medicare Advantage plans. To enroll and remain a member of our plan, you must live in one of our Kaiser Permanente Medicare Advantage plan's service area.

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal. This contract is renewed annually by the Centers for Medicare & Medicaid Services (CMS). By law, our plan or CMS can choose not to renew our Medicare contract.

For information about Original Medicare, refer to your “Medicare & You” handbook. You can view it online at medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-888-901-4600 (TTY 711) from 8 a.m. to 8 p.m., 7 days a week.

Understanding the Benefits

☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit kp.org/wa/eocs or call 1-888-901-4600 (TTY 711) to view a copy of the EOC.

☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

☐ Benefits, premiums, and/or copayments/co-insurance may change on January 1, 2021.

☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
